

Sept. 10, 2022

Dear parents:

We are excited to announce that *Heart of a Child Ministries* will be sharing their *Celebration of Life*, live ultrasound pro-life presentations with Pius X on our Pro-life Day, Sept. 27th.

Heart of a Child Ministries is an Omaha-based, nationally recognized, archdiocese of Omaha approved, pro-life education ministry that brings *live ultrasounds* into schools with professional sonographers, master's level social workers and pregnant volunteers.

Students will hear fetal development information, see the live ultrasound, and listen to speaker Corey Osborn share his story. Corey was complicit in an abortion with his high girlfriend. He will communicate the effects that this decision had on his life, how he turned his life around with God's grace, and the beauty of adoption – as Corey has now adopted three children with his wife, Krissy. Students will then have the opportunity to be a part of pro-life panel discussion where Catholic medical professionals and additional pro-life speakers will answer students' questions. Students then have the opportunity to pray outside of Planned Parenthood and have pizza with their classmates.

- Sample high school presentation trailer can be viewed at:
<https://vimeo.com/457607767?share=copy>
- Sample of a full highschool presentation with speakers can be viewed using the code HOACHS24 at <https://vimeo.com/454177420?share=copy> . Note: Speakers are different – this is a simply a sample presentation.
- Sample of Corey's talk can be viewed with the code ABORTION at:
<https://vimeo.com/538994826?share=copy>

Parents are welcome and encouraged to attend.

Date

Dear parents:

We are excited to announce that (*insert your center name here*), an *Empowered by Heart of a Child Ministries educator*, will be sharing their *Celebration of Life* presentations with our students on (*date and location*).

(*put information here about your center*)

Heart of a Child Ministries is a Nebraska-based, nationally recognized, pro-life education ministry started in 2012 that brings *live ultrasound education* into schools with professional sonographers, master's level social workers and pregnant volunteers. They train other centers across the country to bring live ultrasound education into their states using their **4S** model of education. This involves sharing **Scripture, Science, Stories and Service**. Your children will have the awesome opportunity to see the miracle of life in the womb, listen to the heartbeat, learn fetal development facts, explore Scripture, witness the testimony of a powerful life-affirming speaker, and attend a Pro-life Panel Discussion with medical professionals.

(*insert information here about who your speaker will be or what HOAC videos of speakers you will choose and insert the information here*).

- Sample high school presentation trailer can be viewed at:
<https://vimeo.com/457607767?share=copy>
- Sample of a full highschool presentation with speakers can be viewed using the code HOACHS24 at <https://vimeo.com/454177420?share=copy> . Note: Speakers are different – this is a simply a sample presentation.

Parent participation is invited and encouraged.

The Service that our school will be participating in is a (fill in- diaper drive, money drive) for (*your organization's name*).

For more information about Heart of a Child Ministries, please go to their website at www.heartofachildministries.org.
