We can provide pregnant volunteers from the outside of the parish and school community, but we first encourage schools to help find their own pregnant volunteers. It is fun for the students when the volunteer is a parent, teacher or parishioner who they know.

This pregnant volunteer announcement will help you to find volunteers from your parish/school community. Pregnant volunteer announcement can be placed in the bulletin or school communication emails one month prior to the presentation in order to find the volunteers needed.

Pregnant volunteer bulletin announcement:

On (date), (your centers name), an Empowered by *Heart of a Child Ministries'* educator, will be sharing their Celebration of Life presentation with our students at (school name and grades). This presentation involves exploring Scripture about who we all are as children of God and witnessing the miracle of human life in the womb by seeing a baby on a live 3D ultrasound. The ultrasound is administered by professional sonographers on pregnant volunteers.

We are seeking pregnant volunteer(s) willing to share their baby on the big screen with our students during these live ultrasound presentations. Ideal time of pregnancy is between 20-33 weeks. Times and dates needed are: (insert time and dates here- if you are doing a full day presentation it is good to schedule a morning volunteer and a different afternoon volunteer)

If you are interested in sharing the gift of life with our students or have any questions, please contact (insert your name). For more information, please go to [www.heartofachildministries.org/\(your link\)](http://www.heartofachildministries.org/(your link))

Thank you!
