Equipment Needed:

**We highly recommend contacting your local and state Knights of Columbus Council for support in covering the costs of the ultrasound machine and corresponding equipment. These costs total anywhere from \$5750-20K- depending on the type of portable machine and equipment that you choose. List of equipment needed will be provided if you are seriously considering becoming a certified educator.

A La Carte Offerings:

Upgraded training option: Executive Director, Nikki Schaefer will come to your community to present. You schedule the presentation with our support. Then, we present with you and your staff, and provide on-site, hands-on training. This is the best, most effective training option. Presentation costs and travel expenses will be the responsibility of your organization. These costs are approximately \$500-\$750 per day plus the cost of any additional supplies for students. Schools will often times cover this cost with the assistance of their local Knights of Columbus.

Marketing Resources: Designed by Remnant Marketing to align with your branding and colors as well as Heart of a Child Ministries' content. PDF files will be provided to your organization. Printing costs are not included.
